Jaber said. "People driving through can see
the light at the end."

UDOT plans to begin construction on the
tunnel phase next spring. The project will
cost \$23 million and take two years to
complete.

UDOT's return to the twin tunnel design
pleases environmental and wildlife groups,
Sundance and residents of Wildwood.

"We feel it was a win-win situation for ev-
erybody," said Julie Mack, environmental

Lucille Taylor, president of the Wild
Resort Co., said UDOT did its "very best"
come up with a design that impacted Wild-
wood very gently. "No homes will be to
out to make way for the road, although
will pass close to one home, Taylor said.
"Given the options, it's probably about as
good as we could do," she said.

The road design UDOT adopted in a
final environmental impact statement call-
ed for twin tunnels beginning just south of
